

You are **NOT** alone... and together, we are strong.

Has your partner ever blamed you for their mistakes?
Has your partner ever been violent toward you or your children?
Do you feel alone and isolated from loved ones?

If you've answered yes to any of these questions, you may be a victim of domestic abuse. The Battered Women's Shelter offers support groups for women who feel they may be, or have been in an abusive relationship. Support groups offer emotional support and education on various topics, in order to give you the tools you need to cope with and heal the wounds left by a violent domestic situation.

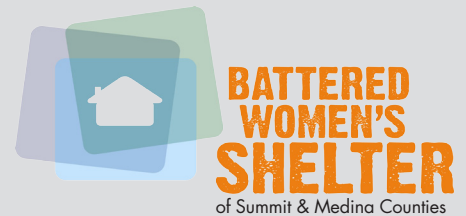

- Take a step toward healing what is broken. We are here for you.
- Support Groups for women are held weekly in both Summit and Medina Counties.
